www.linkedin.com/in/manuroag

as current degree from
Cinvestav

I am a M.Sc. physics student working on an interdisciplinary research project combining **AI, physics, and biology**.

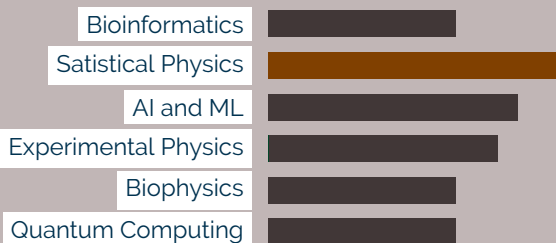

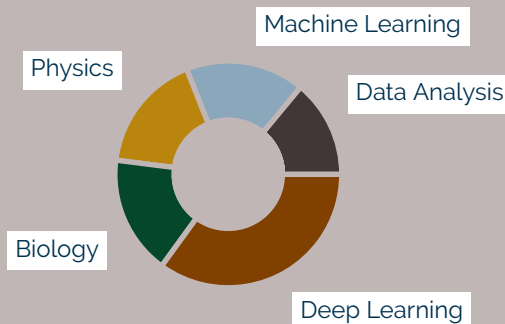

And I am deeply passionate about **computational biophysics** and **protein science**.

SKILLS AND TECHNOLOGIES

My main contribution to my work lies in the **implementation of Deep Neural Networks**.

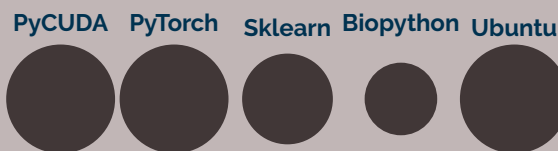

LANGUAGES

	Spanish (native)
	English (C1)
	French (B1)
	German (A1)

In addition to my **strong foundation in physics**, I possess several skills and knowledge in other areas.

As a tool for my research I've gained some useful insight into CS, mainly in **Python and Linux OS**.

2025 ACADEMIC ENGAGEMENTS

- 5/2025 - **Complex Neural Networks** and **GenAI** courses at CS Department, Cinvestav.
- 7/2025 - **AI+Science Summer School** by The University of Chicago, Paris, France.
- 10/2025 - Poster presentation in **13th Symposium on Structural Proteomics**, Milan, Italy.
- 12/2025 - **MD** and **Bioinformatics** courses.

EXPERIENCE AND EDUCATION

Experience Events Education

- 11/2024 Beginning of Thesis project: **AI-driven Prediction of Circular Dichroism Spectra of Proteins**.
- 5/2024 Experimental project in Soft Matter laboratory involving Fluorescence Microscopy, Image Processing and Data Analysis: **Brownian-particle motion inside Lipid Vesicles**.
- 0/2024 Bioinformatics Project: **Radius of Gyration in Alpha-Helical and Beta-Sheet Proteins**.
- 8/2023 Beginning of **Master of Science in Physics** at Cinvestav.
- 4/2023 Preparatory courses and admission tests at Cinvestav.
- 12/2022 Completion of a semester at Computer Research Center of IPN: **Algorithm Design** and **Quantum Computing** courses.
- 7/2022 Graduation of **Bachelor Studies in Physics and Mathematics** from the Instituto Politécnico Nacional.
- 1/2022 **Durham University International Research School**: Collaborated with an interdisciplinary team to develop and successfully defend a research proposal addressing Sustainable Development Goals (SDG).
- 7/2021 **Teaching assistantship** at Computer Research Center of IPN.
- 4/2021 QWorld **Quantum Computing and Programming School**.
